Notice of Intent to Promote: \_\_\_\_\_

Dear Parents and Teachers,

Our main objective at “ATA Family Martial Arts” is to develop well-rounded students, not only at our school, but also in life. That’s why our school teaches the principles of “Black Belt Excellence”. Not only do students become Black Belts in martial arts, but also strive to become academic Black Belts and eventually corporate black belts or black belt employees. We use the term “Black Belt” as a metaphor for personal excellence.

In order to monitor our students’ progress towards these goals, we respectfully request that you complete the following:

- 1.) The student is doing satisfactory work, and receiving passing grades.

- 2.) My son or daughter has been behaving in a respectful manner and is cooperative at home.

If one of our students does not meet these standards, we will hold their testing until there has been satisfactory improvement. If you have any other direct feedback beyond the scope of this form, please feel free to call us at 282-3737. Thanks for your help!

Sincerely,
